If **your** policy renews during a trip then the maximum limit applies to the whole trip. Claims will only be paid when the duration of **your** trip falls within the maximum trip duration shown on **your Validation Certificate** even if the incident **you** are claiming for happens during the part of the trip **you** have covered. The annual multi-trip policy only covers trips within **your country of residence** provided that **you** have pre-booked accommodation for 2 (two) or more nights in a row which has been paid for or is contracted to be paid for.

The above extensions are only available at the time **you** originally purchased this insurance.

IMPORTANT DECLARATION

Anyone named under this policy must have read this Important Declaration and understood the terms, conditions and exclusions relating to the health of **you** and anyone else upon whom **your** trip depends.

This policy contains health restrictions that apply to **you** cover under certain sections of this policy. **Your** policy can only provide cover in respect of an accident or illness which is sudden, unforeseen and beyond **your** reasonable control. Cover is excluded for **pre-existing medical conditions** unless disclosed to **us** and **we** agree cover.

1) No cover under certain sections

You will NOT be covered under Section 1 – Cancellation, Section 2 – Curtailment, Section 5 – **Personal Accident**, Section 6 – Medical Emergency Expenses and Repatriation, Section 7 – Medical Inconvenience Benefit and Section 8 – United Kingdom Expenses, for:

A) If you are travelling outside the UK:

Any claim arising directly or indirectly from:

1. Any of the following medical conditions:
 - a. any cancer condition
 - b. any heart-related, blood circulatory or diabetic condition (including high blood pressure and high cholesterol);
 - c. any breathing condition (including asthma, bronchitis and chronic obstructive pulmonary disease);
 - d. any renal, liver or kidney condition;
 - e. any neurological condition (including stroke and epilepsy)
 - f. any psychiatric or psychological condition (including anxiety, stress and depression);

From which **you** have suffered or received medical advice or treatment for or been prescribed medication for in the last 5 (five) years.

2. Any other medical condition for which **you** have been referred to a hospital or clinic for outpatient or inpatient tests, investigations, treatment or surgery in the last 12 (twelve) months.

This is unless **you** have contacted **us** on 01376 560 800 or completed an online Medical Screening at www.avantitravelinsurance.co.uk and **we** have agreed, in writing, to cover **your** medical condition(s).

If **you** fail to declare any medical conditions, any claims arising from all medical conditions or linked conditions that would fall under 1 or 2 above will be excluded from cover.

B) If you reside in and are travelling within the UK:

1. Any claim if **your medical practitioner** is unable to confirm that at the time **you** bought the policy or booked the trip (whichever is later) he/she would have confirmed that **you** were fit to travel on **your** booked trip and would not have seen any substantial likelihood

of **your** condition deteriorating to such a degree that cancellation or **curtailment** would become necessary.

C) Applying only at the time of buying your policy or prior to booking any trip (whichever is later)

Any claim arising directly or indirectly from:

1. Any medical condition for which **you**, an **immediate relative** or a **travelling companion** have received a terminal prognosis; or
2. Any medical condition which **you** are aware of but for which **you** have not had a diagnosis; or
3. Any medical condition for which **you** are on a waiting list for or have knowledge of the need for surgery, treatment or investigation at a hospital, clinic or nursing home.

D) Applying throughout the duration of your policy

Any claim arising directly or indirectly from:

1. Any medical condition **you** have in respect of which a **medical practitioner** has advised **you** not to travel (or would have done so had **you** sought their advice), but despite which **you** still travel.
2. Any surgery, treatment or investigations for which **you** intend to travel outside of **your home** area to receive (including expenses incurred due to the discovery of other medical conditions during and/or complications arising from these procedures).
3. Any medical condition for which **you**, an **immediate relative** or a **travelling companion** are not taking the recommended treatment or prescribed medication as directed by a **medical practitioner**.
4. **You** or a **travelling companion** travelling against any health requirements stipulated by the carrier, their handling agents or any other **public transport** provider.

2) Changes to your health after purchasing your policy

If, after purchasing or renewing **your** policy but before departing on **your** trip or booking another trip, there is a change in **your** declared and accepted medical condition(s) or development of a new condition for **you** or anyone insured under this policy, which would fall under this Important Declaration, **you** must contact **us** on 01376 560 800 as soon as possible. **We** will assess the change in health and confirm if cover for the medical conditions can continue for further trips. If **we** can continue to offer **you** cover there may be a further charge applied in order to cover this change or new condition. If **we** cannot continue to offer **you** cover, **you** can either submit a cancellation claim if **you** have booked and paid for a trip that **you** have not yet made; or cancel **your** policy and **we** will send **you** an appropriate refund as long as **you** have not travelled or made a claim.

If **you** fail to declare a change in health, claims arising from all conditions or linked conditions may not be paid.

3) Anyone upon whom your trip may depend

An **immediate relative** who is not travelling with **you**, a **travelling companion** not insured by this policy, or the person **you** are intending to stay with, may have a **pre-existing medical condition**.

Cover under Section 1 – Cancellation and Section 2 – Curtailment is only extended to cover claims relating to these **pre-existing medical conditions** if the person's **medical practitioner** is able to confirm that at the time **you** bought the policy or booked the trip (whichever is later), he/she would have confirmed that he/she would not have seen any substantial likelihood of his/her patient's condition deteriorating to such a degree that cancellation or **curtailment** of **your** trip would become necessary. If the **medical practitioner** cannot confirm this in writing, **your** claim will not be covered.

4) Pregnancy

Normal pregnancy, without any accompanying bodily injury, illness, disease or complication is not covered under this policy. This policy is designed to provide cover for unforeseen events, accidents, illnesses and diseases and normal childbirth would not constitute an unforeseen event. Cover can only be considered where there is a **complication of pregnancy** or if **you** were unaware of the pregnancy at the time of purchasing the insurance or booking a trip (whichever is later) and **you** are advised not to travel by a **medical practitioner**.

Airlines and ferry companies have their own restrictions due to health and safety requirements so please ensure that **you** check with them or with any other transport provider before **you** book the trip. Please also ensure that **your medical practitioner** and midwife are aware of **your** travel plans, that there are no known complications and that **you** are not travelling against any medical advice. **We** have the right to request a medical certificate to confirm this.
