Important Information

It is important that **you** read this document carefully. Please also check **your Validation Certificate** and **Medical Declaration** (if applicable) to ensure that **you** understand the extent of cover **you** have chosen and the assistance **we** provide. This document details what is and what is not covered along with any terms, conditions and exclusions of cover, and that this meets **your** requirements.

The **policy** document contains different levels of cover, some of which are optional and do not apply unless **you** have selected them and paid the required additional premium. For information about **your** rights to cancel this policy and the cooling-off-period, please see Cancellation Provisions on **page 48** of this policy booklet.

Please keep this document in a safe place and take it with **you** when **you** travel in case **you** need assistance or need to make a claim. If **you** have any questions about the cover provided please call **our** Customer Services Team on the number below, **we** are open Monday to Friday 9am to 5pm.

Health Declaration

Your policy contains restrictions, conditions and exclusions that relate to your health and to the health of others on whom your trip might depend. You must read the following information and be satisfied that this policy meets your needs.

Pre-existing medical conditions will not be covered unless they have ALL been declared, and accepted by us in writing. You must therefore ensure that you answer all questions about yourself and anyone else insured under your policy fully, honestly, and to the best of your knowledge, as failure to answer our questions accurately may affect the cover we provide and our ability to pay your claim. Please see page 4 for what you must do if you have a change to your health after purchasing your policy.

We are unable to provide cover for any pre-existing medical condition(s) where you have an undiagnosed medical condition, or a condition where you are currently on a waiting list, undergoing treatment, or tests or, where you are awaiting the results of any tests. There are some instances we may be able to provide cover for pre-existing conditions if you are awaiting a procedure, (please see the Medical Declaration section on page 8 for more details).

If you have any questions about what cover will be provided by this **policy** in respect of **your** existing **medical conditions**, please contact Avanti Customer Services.

Please note: this policy does not provide cover for treatment which can be delayed and carried out after your repatriation home, or for any private medical expenses where medically suitable state treatment is available. It is therefore a condition of this insurance policy that in the first instance you make use of any reciprocal health agreement between the United Kingdom, Channel Islands, or the Isle of Man and the country you have travelled to, should you require medical treatment whilst travelling.

For emergencies abroad call us first (It may save you having to pay the policy excess)

For medical emergencies: if you are taken to hospital as an emergency by ambulance or other emergency service, you will need to make sure that you or a travelling companion call us within 48 hours.

For non-urgent medical help: if **you** need to see a **Doctor**, or need to go to Accident & Emergency or a clinic, **call us first**. This way **we** may be able to help **you** locate the safest and most appropriate source of treatment.

In either case **you** may reverse the call charges, or ask to be called back.

If your outpatient treatment is likely to cost more than £350 or you are admitted into hospital abroad, someone must call Avanti Assistance 24 hour medical emergency helpline as soon as possible. If you have to cut short your trip under Section 2 (Cutting Short Your Trip) or Section 3 (Emergency Medical and Repatriation Expenses) Avanti Assistance must authorise this in advance. Failure to contact Avanti Assistance may mean that we are not able to provide cover or we may reduce the amount we pay for your medical treatment, or additional travel expenses.

Where **you** have a valid claim and **your** medical expenses exceed £350 **we** will look to settle the bill directly with the medical provider where possible.

For non-medical emergencies: if something happens during your trip, and you need our help, please contact us. If we identify that the event causing the emergency is not covered by this policy, we will still try to assist you in resolving the problem, but it would be at your own cost.

Please note: This is a travel insurance policy and not private medical insurance.

Changes to your health after purchasing your policy

If after you purchase your policy, or before booking any new trips, any of the following happens:

- you are diagnosed with a new medical condition
- your doctor, or consultant changes your prescribed medication
- vou receive inpatient medical treatment
- you are now awaiting a diagnosis, investigation, test results or medical treatment

then **you** must contact Avanti Customer Services. A member of the team will ask **you** specific questions about **your medical condition(s)**.

This may result in an additional **premium** to allow cover to continue, to add additional Terms and Conditions to **your policy** or to exclude cover for the newly diagnosed condition or for the condition that has undergone significant change.

If we are unable to continue to provide cover, or if you do not wish to pay the additional premium you will be entitled to make a claim under Section 1 (Cancellation) for your costs which cannot be recovered elsewhere for trips booked prior to the change in health. Alternatively, you will be entitled to cancel your policy, in which case, we will refund a proportionate amount of your premium.

Please note that **your doctor**, or consultant telling **you** that **you** are well enough to travel does not mean that **you** will be covered for **your pre-existing medical condition(s)**. If **you** have any concerns regarding whether, or not **you** will be covered please contact Avanti Customer Services.

Eligibility

In order to be eligible for cover under this **policy you** must also be:

- a resident of the **United Kingdom**, Channel Islands, or the Isle of Man for six of the last twelve months;

Countries with reciprocal health agreements

In the event of liability being accepted for a medical expense which have been reduced by the use of a reciprocal health agreement then **we** will not apply the deduction of the **excess** under Section 3 – Emergency Medical and Repatriation.

Where you have not been signed off from all post-procedure, or treatment follow-ups

For procedures listed on the previous page full cover will be provided except for medical and repatriation expenses arising as a result of, or related to the procedure you are awaiting to be signed off from. Cover for cancellation and cutting short your trip will also not apply if you have booked the trip, or purchased the policy (whichever is later) after being informed of the need for you to have the procedure.

It is a condition of this **policy** that should **you** be awaiting sign-off from follow-ups relating to any of the procedures listed above that:

- 2. All external stitches, sutures, or staples have been removed.

you have declared (when we ask) ALL pre-existing medical conditions to us: and

you have declared (when **we** ask) any changes to your health or prescribed medications; and

we have accepted the medical condition(s) for insurance in writing.

Each insured person who has a pre-existing medical condition must make a medical health declaration before each period of cover and, if there are any changes in their health or prescribed medication, prior to commencement of the period of cover, before departing on any trip and throughout the life of your policy. We will ask you specific questions which you must answer accurately and to the best of your knowledge. Failure to do so may invalidate your cover.

We may require you to obtain a Medical Report from your doctor, or consultant in order for us to assess whether cover applies. Obtaining this medical report shall be at your own expense. Based on our assessment of the medical information supplied to us, we will decide whether or not we can continue to insure you, and on what basis. Please see Changes to your health after purchasing your policy on page 4 for more details.

To declare a **pre-existing medical condition** or a change in **your** state of health or prescribed medication, **you** must call **our** Customer Services on 0333 006 3213.
