# Making a Claim

## Emergency Assistance

If during **your trip** you have a medical emergency, need to **cut short your trip**, please call Avanti Assistance on **+44 1403 288 121, +1 833 251 8487** when calling from within the USA and Canada or **(+1) 819 780 0639** if calling within Mexico.

The Emergency Assistance Line is open 24 hours a day, 365 days a year.

## Travel claims

If **you** need to make any kind of non-emergency claim, please call the Claims team on **01403 288 122**, or **+44 1403 288 122** if **you** are abroad. **You** can also register **your** claim online by visiting the following website: **www.avantitravelinsurance.co.uk/claims**

Please have **your** insurance **policy** number found on **your validation certificate** to hand and have ready any documents **you** have that could be relevant to **your** claim. The table below sets out what documentation **you** may be asked to provide for the different sections of cover and depending on the details of each claim **we** may ask for additional supporting documentation not listed. If **you** do not have any supporting evidence of **your** claim with **you**, **your** claim might be delayed. **We** may refuse to refund **you** for any expenses for which **you** cannot provide the documentation **we** ask for.

**You** may need to get additional proof to support **your** claim while **you** are away. Once **we** have received all the documentation that **we** have asked for and **we** have all the details **we** need, **we** will assess **your** claim against the terms and conditions of this **policy** wording to decide if **we** can accept **your** claim.

For claims under Section 9 Legal Costs & Expenses, please see page 31 for details.

All documentation to support **your** claim as required by **us** must be sent at **your** own expense. **We** reserve the right to request that **you** undergo an independent medical examination at **our** expense. **We** may also request, and will pay for, a postmortem examination in the event of **your** death. **You** must retain any property which is damaged, and, if requested, send it to **us** at **your** own expense. If **we** pay a claim for the full value of the property and it is subsequently recovered or there is any salvage, then it will become **our** property. **We** may also pursue any claim to recover any amount due from a **third party** in the name of anyone claiming under this **policy**.

## 24-hour emergency medical assistance

### For emergencies abroad call us first

**For medical emergencies:** if **you** are taken to hospital as an emergency by ambulance or other emergency service, **you** will need to make sure that **you** or a **travelling companion** call **us** within 48 hours.

Please call Avanti Assistance on + 44 1403 288 414 or +1 844 780 0639 when calling from within the USA and Canada or (+1) 819 780 0639 if calling within Mexico.

**For non-urgent medical help:** if **you** need to see a **doctor** or need to go to Accident & Emergency or a clinic, call **us** first. This way **we** may be able to help **you** locate the safest and most appropriate source of treatment.

If **your** outpatient treatment is likely to cost more than £350 or **you** are admitted into hospital abroad, someone must call Avanti Assistance as soon as possible.

If **you** have to **cut short your trip** under Section 2 Cutting Short Your Trip or Section 3 Emergency Medical & Repatriation Expenses Avanti Assistance must authorise this in advance. Failure to contact Avanti Assistance may mean that **we** are not able to provide cover, or **we** may reduce the amount **we** pay for **your** medical treatment, or additional travel expenses.

Where **you** have a valid claim, and **your** medical expenses exceed £350 **we** will look to settle the bill directly with the medical provider where possible.

**For non-medical emergencies:** if something happens during **your trip**, and **you** need **our** help, please contact **us**. If **we** identify that the event causing the emergency is not covered by this **policy**, **we** will still try to assist **you** in resolving the problem, but it would be at **your** own cost.

**PLEASE NOTE: This is a travel insurance policy and not private medical insurance.**

This **policy** does not provide cover for treatment that can be delayed and carried out after **your** repatriation **home** or for any private medical expenses where medically suitable state treatment is available. It is therefore a condition of this insurance **policy** that in the first instance **you** make use of any reciprocal health agreement between the **United Kingdom**, Channel Islands, or the Isle of Man and the country **you** have travelled to, should **you** require medical treatment whilst travelling.

## Countries with reciprocal health agreements

If **you** require medical treatment during **your trip** then in the first instance **you** must make use of any reciprocal health agreement between the **United Kingdom**, Channel Islands, or the Isle of Man and the country **you** have travelled to, such as the Global Health Insurance Card (GHIC).

In the event of liability being accepted for medical expenses that have been reduced by the use of a reciprocal health agreement then **we** will not apply the deduction of the **excess** under Section 3 Emergency Medical & Repatriation Expenses.

### Australia and New Zealand

If **you** require medical treatment in;

- Australia – **you** must enrol with a local MEDICARE office.
- New Zealand – **you** must go to a state medical facility and present **your** passport at the time of treatment.

If **you** are admitted to hospital, **you** must contact Avanti Assistance as soon as possible.

## Health Declaration

**Your policy** contains restrictions, conditions and exclusions that relate to **your** health and to the health of others on whom **your trip** might depend. **You** must read the following information and be satisfied that this **policy** meets **your** needs.

### Tell us about your pre-existing medical conditions

When **you** purchase or renew **your policy**, **you** must declare ALL **pre-existing medical conditions**.

### A pre-existing medical condition means:

In the last two years, any **insured person** travelling

on the policy has had any **medical conditions** for which they have:

- seen a doctor, specialist, or other medical professional for any reason; or
- received any form of medical treatment, care, or therapy; or
- been prescribed or taken any medication including ongoing prescriptions or short-term courses.

### Medical conditions include but aren't limited to:

- ongoing conditions like asthma, diabetes, anxiety or high blood pressure.
- short-term issues like infections or injuries.
- any condition **you've** seen a doctor, specialist, therapist or other health professional about.
- conditions **you're** managing with medication or monitoring (even if **you** feel fine now).

**Pre-existing medical conditions** will not be covered unless they have **ALL** been declared and accepted by **us** and are shown on **your Validation Certificate**. **You** must therefore ensure that **you** answer all questions about **yourself** and anyone else insured under **your policy** fully, honestly, and to the best of **your** knowledge, as failure to answer **our** questions accurately may affect the cover **we** provide and **our** ability to pay **your** claim.

Make sure **you** check **your policy** documents to ensure **you** have declared **ALL pre-existing medical conditions**. If **you** need to make a change to the conditions declared or the answers to any of the questions, or to add a **medical condition**, **you** can do so by logging in to **your** MyAvanti account at [www.avantitravelinsurance.co.uk](http://www.avantitravelinsurance.co.uk) or **you** can contact **our** Avanti Customer Services team.

## What is not covered

1. This **policy** will not provide cover under any circumstances if any **insured person**:
  - is travelling against medical advice (or would be travelling against medical advice had they asked for such advice from a **doctor**); or
  - is travelling with the intention of obtaining medical treatment, tests, investigations, or consultation abroad.
2. Unless specifically agreed by **us** and it is shown on **your Validation Certificate** this **policy** will not provide cover if any **insured person**:
  - has any undiagnosed symptoms; or
  - is awaiting any test, test results, or investigations; or
  - has received a terminal prognosis; or
  - is awaiting surgery, a procedure or is waiting to be discharged from post-operative checks; or
  - is having or awaiting dialysis or any form of cancer treatment; or
  - is taking part in a medical trial.

## Awaiting a medical procedure

This **policy** will not under any circumstances provide cover for claims under Section 1 Cancellation or Section 2 Cutting Short Your Trip, relating to any **medical condition** for which **you** are awaiting a medical procedure. However, **we** may be able to provide cover under all other sections if **you** are awaiting certain medical procedures, for example an arthroscopy or removal of cataracts. To see the full list of acceptable procedures, visit [www.avantitravelinsurance.co.uk/procedures-covered](http://www.avantitravelinsurance.co.uk/procedures-covered). **You** must tell **us** which procedure **you** are awaiting, and this must be accepted by Avanti and shown on **your Validation Certificate**. An additional **premium** may be required. Cover will only be provided where **you** are not travelling against **your UK doctor's** advice.

## Awaiting a post-procedure follow-up

This **policy** will not under any circumstance provide cover for claims under Section 3 Emergency Medical & Repatriation Expenses, arising as a result of, or related to any medical procedure for which **you** are awaiting a follow-up consultation, treatment, tests or investigation, however **we** may be able to provide cover under all other sections of cover for certain medical procedures for which **you** are waiting to be discharged provided that:

1. All surgical wounds have fully healed and no longer require dressing.
2. All external stitches, sutures, or staples have been removed.
3. There have been no complications, or infections after having had the procedure.
4. **Your** mobility is no worse than it was before **you** had the procedure.
5. **You** obtain a letter from **your GP (doctor)** confirming that **you** are medically fit enough to undertake this **trip**.
6. **You** understand that this **policy** will not cover the cost of any follow-ups required during the insured **trip**.

Cover for claims under Section 1 Cancellation and Section 2 Cutting Short Your Trip will only apply if **you** booked the **trip** or purchased the **policy** (whichever is earlier) before **you** were told that **you** needed to have the procedure.

To see the full list of acceptable procedures, visit [www.avantitravelinsurance.co.uk/procedures-covered](http://www.avantitravelinsurance.co.uk/procedures-covered). **You** must tell **us** which procedure **you** are awaiting a follow-up, and this must be accepted by Avanti and shown on **your Validation Certificate**. An additional **premium** may be required. Cover will only be provided where **you** are not travelling against **your UK doctor's** advice.

## Undiagnosed symptoms

If **you** have declared that **you** have undiagnosed symptoms:

Please note that if **you** need to cancel **your trip**, return early, or make an emergency medical claim, **your policy** won't cover any symptoms that haven't been diagnosed.

**You** also won't be covered while **your** undiagnosed symptoms are being investigated. Unrelated medical conditions can still be covered.

Once **you** have a diagnosis, give **us** a call and **we'll** check if **we** can update **your policy**. Depending on the diagnosis, **we** may need to adjust **your** cover.

## Changes to your health

Tell **us** about changes to **your** health by logging into **your** MyAvanti account at [www.avantitravelinsurance.co.uk](http://www.avantitravelinsurance.co.uk) or by contacting **our** Avanti Customer Services team. **You** must tell **us** if any of the following happen after **you** purchase **your policy**, or before booking any new **trips** or before starting a **trip**:

- **you** are diagnosed with a new **medical condition**.
- **you** experience new or recurring symptoms or have an undiagnosed condition.
- **your doctor**, or consultant adds to or changes **your** prescribed medication.
- **you** receive inpatient medical treatment.
- **you** are now awaiting a diagnosis, investigation, test results or medical treatment.

A member of the team will ask **you** specific questions about **your medical condition(s)**. This may result in an additional **premium** to allow cover to continue, or **we** may add additional Terms and Conditions to **your policy** or exclude cover for the newly diagnosed condition or for the condition that has undergone significant change.

**We** may require **you** to obtain a medical report from **your doctor**, or consultant to allow **us** to assess whether cover can continue. Obtaining this medical report is at **your** own expense. Based on **our** assessment of the medical information supplied to **us**, **we** will decide whether **we** can continue to insure **you**, and on what basis.

If **we** are unable to continue to provide cover, or if **you** do not wish to pay the additional **premium** **you** will be entitled to make a claim under Section 1 Cancellation for costs which cannot be recovered elsewhere for **trips** booked prior to the change in health.

Alternatively, **you** will be entitled to cancel **your policy**, in which case, **we** will refund a proportionate amount of **your premium**.

Please note that **your doctor**, or consultant telling **you** that **you** are well enough to travel does not mean that **you** will be covered for **your pre-existing medical condition(s)**. 8. if there is a disagreement between **you** and **ARAG** on the merits of the claim or proceedings, or on a legal principle, **ARAG** may suggest that **you** obtain at **your** own expense an opinion on the matter from an independent and appropriate expert.
